Description

Stock #347098 - Beautiful Cheoy Lee Sloop. Newly Rebuilt Engine. Are you ready for a nice getaway in this classic? In 1969 Cheoy Lee shipyard built this Offshore 40, yard number 2248. She is an \"E\" plan configuration which gives her plenty of room below with V-berth forward, a head and convertible dinette to port, with the chart table and two single berths to starboard. The owner indicates her first owner was the Cheoy Lee dealer in Marina Del Rey, California who used her as a demonstration boat for the dealership. Her second owner maintained the boat and made many improvements to her as his liveaboard. The Seller purchased her in 1979 and has owned her for over forty-one years. She is an outstanding example of the Phil Rhodes design, Offshore 40 class. The forward head has been enlarged with the enclosure of the forward door and has two dry lockers immediately adjacent. The galley is on the port side with four burner propane stove and ice box. The interior was refurbished in 2013. The engine aboard is the Perkin 40 hp. She carries 30 gallons of fuel, and 85 gallons of water. She has 5 sails in her inventory. Mains: North battenless roller reefing main and batten main with three reef points. Head Sails: Genoa 150 (hanked on sail bag), Working and Storm head sails. Spruce Spinnaker 14 Ft, Dico Aluminum Spinnaker 12-22 Ft with bridle. This beautiful Cheoy Lee is ready for new adventures. Are you the adventurous type? The complete rebuild of the Perkins 104-7 engine was completed by S&W Diesel of Wilmington, CA in September 2023. The Borg Warner transmission has also been bench-tested with all external seals replaced by Tom Harpur of Chris Craft. All 2 1/2\" wire-reinforced exhaust hoses have been replaced and the engine bay has been cleaned and refreshed. A full anti-siphon system has been added to the engine as well.
