Description

Stock #343136 - Aluminum Xtreme, 90 HP Suzuki 4-Stroke Power, Minn Kota Trolling Motor, Garmin Electronics, Trailer Included!! This Xtreme Brute 1854 is a formidable aluminum fishing and hunting boat and it is available for sale in North Florida! The Brute sets the standard for tough, stable aluminum fishing and utility boats. Made for flats, shallow bays, lakes and stumpy waters, this Xtreme is made to take it. The owner had the center console moved to the forward deck to make room for more deck space in the center of the boat. This boat has been used on freshwater only and brought in the Bass, Bream, and Catfish by the haul. The Brute is powered by a Suzuki 90 HP 4-stroke motor. The owner estimates the engine hours at 50. At the bow is the Minn Kota Edge trolling motor and this one is outfitted with two Minn Kota electric anchors. Locking rod storage and compartments surround the deck. The boat has a rated capacity for 4 riders, has three fold-down pedestal seats, and front and rear casting decks providing excellent access to the water. Plan ahead for configuring this boat to work for you. The deck is raised slightly so you can run wiring and cables to accommodate electronics, electrical and mechanical features. This boat will evolve with your needs. We are looking for people all over the country who share our love for boats.
