Built:	1995

Additional information

Description

Stock #360643 - Excel 24 powered by a 200HP Johnson motor, baitwell and live well. This is a good example of the 1995 Wellcraft Excel 24. The owner loves its excellent ride qualities and finds the investment he made in the Feruno GPS with plotter, fishfinder, and depth readout very well worth it. The anchor has an electrically-operated winch, which makes life easy for the captain and the crew! And communications via the VHF radio are enhanced by a CB radio. The transom has a completely removable panel that allows access to the swim platform and engine mount. The V-berth sleeps two and the galley includes a single-burner stove and a sink. The porta-potty is on the starboard side. All in all, a very nice boat at a very nice price! Please submit any and ALL offers - your offer may be accepted! Submit your offer today! Reason for selling is not using enough. At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market. We encourage all buyers to schedule a survey for an independent analysis. Any offer to purchase is ALWAYS subject to satisfactory survey results. You have questions? We have answers.
