Description

Stock #414736 - 2013 Majek 25 Extreme, Evinrude 250 HO, hydraulic jack plate, 8' Power Blade, trailer includedStep into unparalleled boating with the 2013 25' Majek Xtreme bay boat, powered by a robust 250HP Evinrude H.O. engine with just 500 hours of runtime. This sleek, low-sided, tournament-style bay boat is renowned for its impressive speed, shallow draft, and exceptional ride, making it a top choice for freshwater and saltwater adventures. The Majek Xtreme is engineered for versatility and performance. Thanks to the powerful 250HP Evinrude H.O. engine, its lightweight design effortlessly reaches speeds of 55+ mph. This boat excels in shallow waters due to its unique pad-design hull, allowing it to glide smoothly through the skinniest waters. The sharp V-hull design ensures a dry ride, even in the roughest conditions, by pushing water away from the boat at all speeds. Equipped with a 24V Minn Kota Riptide Powerdrive trolling motor, an 8' Power Pole Blade shallow water anchor, and a Bob's Hydraulic Jack Plate, this Majek Xtreme is built to handle any fishing scenario. The Lowrance HDS 9 GPS/plotter/fishfinder at the helm ensures you stay on course and easily find the best fishing spots. The Majek Xtreme's story began in 1982 when commercial fisherman John Majek, frustrated with the performance of available boats, hand-crafted the ultimate bay boat. Designed to navigate the rough bays and shallow waters near Corpus Christi, this boat quickly became a legend. Today, the legacy continues with Johnny and Jimmy Majek at the helm, continuing to build boats that outperform the competition. Whether you're a tournament angler seeking a competitive edge or someone who enjoys weekend fishing trips, the Majek Xtreme is designed to meet your needs. Trusted by professionals and chosen by law enforcement agencies like Texas Parks & Wildlife, U.S. Border Patrol, and the United States Coast Guard, Majek Boats are built to withstand the harshest conditions. Purchasing a Majek boat means investing in a craft engineered for years of carefree enjoyment. Each boat is hand-built with meticulous attention to detail, ensuring it stands out in performance and beauty.
