Description

Stock #329596 - 2016 ROBALO R200 in great shape ready for the water. Handles the water very well and features Yamaha power2016 Robalo R200 powered by a 150 hp 2016 Yamaha Four-Stroke Outboard Engine. Versatility: The Robalo R200 is designed for versatile use in a variety of water conditions, including fishing, cruising, and water sports. Its compact size and maneuverability make it ideal for exploring narrow channels and shallow waters, while its powerful engine provides plenty of speed and power for more adventurous activities. Fuel efficiency: The 2016 Yamaha four-stroke outboard engine is known for its fuel efficiency, which means you can enjoy longer trips on the water without worrying about refueling. The engine's efficient design also helps to reduce emissions, making it an eco-friendly choice. Comfort: The Robalo R200 is designed with comfort, featuring ample seating for passengers and a T-top for shade on sunny days. The boat also includes a stereo system with Bluetooth connectivity for entertainment while on the water. The non-skid deck and self-bailing cockpit also provide a safe and comfortable environment for fishing or other water activities.
