Built:	1999

Additional information

Description

Stock #402610 - Exceptional boat, you will not be disappointed. Fresh water boat, well maintained, maintenance records available. Pleased to welcome you to come aboard this 1999 Silverton 392 Motoryacht. As you review the photo anthology and video you will note how the Silverton 392 Motor Yacht has a fantastic layout with an amazing amount of usable space. There are multiple entertaining areas including the aft cockpit with wet bar, large flybridge and bow lounge zone. The interior salon is a full 14ft width and rivals the interior space of many 50 foot boats. With heat, A/C, a full-sized galley and two large cabins fore and aft, you have everything you need to entertain, live comfortably and go cruising anywhere your desires take you. The 392 has innovative \"SideWalk\" flybridge steps that make moving between areas much easier and safer. High bulwarks, sturdy rails, and wide steps allow passengers to move easily all around the boat. Step down inside the salon and you will see that it is spacious and efficiently designed. The salon features a port side good-sized L- shaped convertible sofa that slides out to a double guest berth, plenty of cabinetry, and the L-shaped galley Port side and mid ship featuring a good sized refrigerator freezer, two burner electric stove and oven, microwave, coffee maker, and sink with ample counter top space. Starboard and mid ship opposite the galley is the upholstered bench dinette for five. Both fore and aft staterooms have hanging lockers, dresser drawers, storage under the full and queen beds and heads ensuite with separate shower stalls, vanity and storage that provide real privacy and comfort.
