Stock #353294 - Ready to catch some big fish? This boat will get you there with twin Yamaha 200 HP engines! This 2016 Robalo 260 really speaks the language of fishing, while ensuring family comfort and enjoyment. The boat is crafted around fishing gestures. Reach out and there's a grab rail waiting for you, a heavy-duty stainless toe rail, 24 rod holders, tackle storage and lockable gunwale storage. Down aft you'll find a tough, but comfortable transom seat that folds down, giving access to a 33-gallon insulated live well. The bait prep area features a cutting board and a removable fiberglass bait box. The bow also hosts three fully insulated, locking fish boxes on hydraulic lifts: One in-deck and two integrated into the casting platform. Coaming pads run around the entire boat, and a stainless steel toe rail lines the deck around the cockpit. It's a unique hull design that allows it to grip the water effectively providing stability and maneuverability even in choppy waters.
