Additional information

Description

Stock #454770 - Updated with Raymarine autopilot! Garmin electronics, AC, TV, Solar system, all recent batteries and more! This 1986 Ericson 35-3 is a performance-oriented cruiser with a comprehensive list of upgrades that support efficient sailing and comfortable time aboard. The deck layout is set up for easy sail handling and offshore capability, featuring Andersen 46ST winches, a hydraulic backstay adjuster, roller-furling headsail, spinnaker hardware (spinnaker sail not included), masthead tricolor, deck lighting, solar panel, dodger rail ready for canvas, and a newer anchor windlass paired with a 44-lb Bruce anchor. Lazy jack hardware is installed. The helm benefits from recently updated electronics, including a Raymarine autopilot, Raymarine displays, a B&G screen, and a Garmin depth sounder, with additional GPS, VHF, and SSB capability onboard. Power comes from a Yanmar 3GM30F 28 HP diesel engine with approximately 600 hours, supported by forced hot-air diesel heat, hot and cold air conditioning, solar charging, and three house batteries. Cruising tankage includes 85 gallons of fresh water in three tanks, 40 gallons of fuel, and a 25-gallon holding tank with manual overboard discharge. Below deck, the Ericson 35-3 offers a spacious and practical interior well suited for cruising or living aboard. The galley is equipped with a three-burner CNG stove and oven, refrigerator, and ice maker. The head includes a dedicated stand-up shower, a notable feature in this size range. Additional amenities include hot and cold pressure water, 12-volt fans throughout, a 32-inch TV, and updated interior wood paint, making this a versatile platform for club racing, coastal cruising, or extended time on the water. Please submit any and ALL offers - your offer may be accepted! Submit your offer today! Reason for selling is upgrading to a catamaran.
