## Additional information

Description: The yacht's layout consists of a V' berth with an en-suite toilet at the fwd end. Underneath the bed, there is a storage space. The saloon, galley and chart table and toilet compartment are located at midships. The saloon consists of an 'U' shaped seat, two seats and a table. The galley consists of a two gas burner, grill, two sinks and fridge. The gas bottle is located in a compartment on deck which is well ventilated. The radio/navigation equipment and chart table are on the starboard side. Another toilet compartment is fitted aft of the galley. A double berth is fitted under the cockpit on the stbd side. Access to the accommodation is from

the cockpit into the saloon through a sliding access hatch and ladders.

**Machinery.** The propulsion engine is a four cylinder 'Volvo Penta' diesel engine developing a power of 36.76 KW. It drives a sail drive (seawater cooled) and is located in a small compartment just beneath the accommodation access door. Engine Serial number: 5100707271.

Manufactured 2001.

**Electrics.** Power is 12 V and 240 V with shore supply. Two batteries supply the services whilst another one supply the starting of the engine.

**Deck and Deck Fittings**  
Deck fittings consists of an anchor winch and anchor and galvanized chain rigged forward.

There are a number of hatches and other small ports on the protruded deck sides and cockpit sides. The main deck is of the non sliding type. A bathing platform is fitted at the aft end. Storage compartments are located under the cockpit seats.

Steering and engine gauges are located at the cockpit. Dinghy and a 4 H.P. 'Suzuki' outboard motor. Navigation

**Equipment on Board.**
