Cruise the Caribbean, start a charter business, or live aboard this beautiful Sea Ray 550 Sedan Bridge Motoryacht. The 550 Sedan Bridge is a luxurious and spacious yacht with the capability for long-haul cruising or living aboard for extended periods of time. This 550 is designed with a modern interior cabin, gorgeous marble flooring, and a large salon featuring a massive L-shaped lounge sofa. A bar with stools and the galley are on the starboard side. The galley is set up with an electric stove, icemaker, side-by-side refrigeration, and lots of counter space. Glassware is stowed in its own fitted cabinet. Step down the companionway to the sleeping quarters. The main stateroom is at the bow with a center-line island berth, steps on both sides to make reaching it easy, a vanity and door access to the head. The head includes a full-size standing shower with a shower door. On the starboard side is a good-sized second stateroom with a double bed and dresser storage. The flybridge aboard the 550 will be the envy of your marina. Lounge seating, a wet bar, and bimini shade will keep guests happy and entertained while underway. Isinglass protects the bridge on three sides for weather. This Motoryacht has fitted bow cushions for more lounging space, see photos. The bow sun pad arrangement is almost 15' long.
