Description

Stock #385337 - LIKE NEW MASTERCRAFT NXT22, super low hours, seats 14, ready to go! Here is a great opportunity to own a 2021 Mastercraft NXT22. Very lightly used, it only has 13 hours on the engine (owner has too many toys, this one isn't being used). Mastercraft is the premier wakeboard/surf boat manufacturer; they make the best boats with the best resale values in the industry. The NXT22 is powered by a Ilmor 6.0L engine with 373 horsepower. It seats up to 14 persons in a U-shaped layout with bow seating. This boat is roomy for a 22 footer with tons of storage. An outstanding wake and surf boat, it weighs 4300 pounds and carries up to 3000 pounds of ballast (including the aft ballast bags). Complete with a wakeboard tower and racks, it has two tower mounted speakers. Package includes a full boat cover with built-in tigheners. Always stored under cover, the boat gel coat gleams and the interior is like new. This boat has to be seen. Come to Sacramento CA and see it for yourself. We are looking for people all over the country who share our love for boats.
