Built:	2003

Additional information

Description

Stock #368583 - 2003 Super Sport Nautique 210 by Correct Craft...really nice! This Super Sport Nautique 210 manufactured by Correct Craft is in terrific condition! Because it is stored in a secure storage vault and has received thoughtful care from its owners, the boat shows really well. The hull glistens! Decals are about 99% good in my estimation; there are only a couple of places where the decals have been rubbed on by docking or trailering. Powered by the Vortec Excalibur 330 V-8 gas engine. Most importantly, the Super Sport's wake is a favorite among this generation of Correct Craft boats. There are so many features packed into this particular boat such as the keyless ignition system with multiple, programmable ignition codes. In October of 2020 the owner hired a professional marine shop to install new analog instrument cluster, see photos. The folding wakeboard / speaker tower is in very good condition. Included is a very stable and good looking swim platform which makes the overall length of the boat 22' 06\". We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit Careeers [dot] PopSells [dot] com to learn more. This listing has now been on the market a couple months.
