Description

Stock #509947 - Well maintained 2014 Majek Xtreme 22 powered by a Yamaha 250! This 2014 Majek Xtreme 2200 flats boat is powered by a Yamaha 250 SHO four-stroke outboard, delivering the performance and power needed for serious inshore fishing. The engine is paired with a hydraulic jackplate, allowing the operator to adjust engine height for improved shallow-water access and running performance. The cockpit features a practical, open layout designed for easy movement and comfortable operation. The interior underwent refurbishment in 2026, giving this Majek a refreshed appearance while maintaining the rugged design and versatility that make these boats popular among coastal anglers. The spacious fishing areas provide plenty of room for casting, maneuvering, and working the shallows. An 8-foot Power-Pole shallow-water anchor allows anglers to hold position quietly while targeting fish along shorelines, flats, and marshes. The Power-Pole was also refurbished in 2026. The seating was refurbished in 2026, providing a fresh, updated appearance and comfortable accommodations for passengers. The thoughtful deck layout offers a balance of fishing functionality and recreational enjoyment. Included is a 2014 dual-axle aluminum trailer completing this well-equipped fishing package. With its powerful Yamaha SHO, shallow-water equipment, and numerous recent

improvements, this Majek Xtreme 2200 is an appealing choice for anglers seeking a capable, versatile flats boat ready for its next adventure. This is a brand new listing, just on the market this week. Please submit all reasonable offers. Reason for selling is not using.
