### Additional information

Description

Stock #508999 - 2002 Black Thunder 460. Immaculate Condition. Meticulously Maintained. Ready for the Water. Turn heads and own the water in this 2002 Black Thunder 460 SC, a 46' offshore legend built to run hard and cruise in comfort. Power comes from twin Mercury Racing 575 SCi engines, Whipple supercharged and pushing 575 HP each through MerCruiser stern drives. The engines were rebuilt at 670 hours, both transom assemblies were replaced, the throttle and trim cables were renewed, and the props were reconditioned. The stepped deep-V hull with K-plane trim tabs keeps her planted when you open her up. Stay connected anywhere with Starlink and a Digital Yacht 160 GPS feed that puts your position within about 1.5 ft on any device. This is a real cruiser too, with A/C, a generator, a galley, a head with shower, and a V-berth for overnight runs. Below deck you get dimmable LED cabin lighting with a red night-vision mode, a Kenwood stereo tied into the cabin TV, a microwave, a refrigerator, and an inverter. The cockpit seats were redone and a full isinglass enclosure keeps the weather out. She comes on a 2013 Continental custom triple-axle float-on trailer with wireless tire monitoring, new tires, new hubs and new brake calipers. Two owners, kept in covered storage, and loaded with upgrades. Bring your sunglasses! This listing is new to market. Any reasonable offer may be accepted. Submit an offer today!
