Description

Stock #506733 - Full-sized Key West with twin Yamaha 150s, electronic engine controls, misters, Minn Kota trolling and Garmin electronics! Trailer included! Get ready to go offshore in the mornings and hit the islands and sand bars in the afternoons! This Key West 244 CC has the power and performance to go long and bring back the haul, and it is available for sale in North Florida. Two large bait / live wells, a macerator fish box, rocket launchers high and low, and fresh- and raw-water washdowns make the Key West a formidable fishing platform. The 9' beam means lots of room aboard for family and crew. The helm seat on this Center Console is double-wide. The length of the boat provides room for another seat behind the helm that folds down to open the deck space. The cooler is mounted to rails that allow it to slide out from under the captain's chair when in use and stow away under the seat later. With bow seating, T-top misters, cooler space, Fusion sound system, and underwater multi-color lighting, this Key West has the features to spend the day on the islands and sand bars too! For the Captain, the helm is set up with Garmin 1243XSV and 943XCV units with NEMA 2000 connectivity and engine data integration, electronic throttle and shift controls, trim tab controls, and Garmin VHF communications. This Key West is powered by twin Yamaha 150 HP engines with stainless steel props and low hours. The Minn Kota trolling motor includes Spot-Lock for GPS anchoring and is charged off of the Yamahas so it is always ready. The Hi-Tech aluminum frame trailer is included in the boat sale. Don't let this one get away! Call or email with questions, or make an offer to hold the Key West! This listing has now been on the market 30 days.
