Description

Stock #391590 - 2016 ROBALO 242. Many recent upgrades. Ready for the water. This is a gorgeous 2016 Robalo R242 that has been maintained and updated. The boat spent its first 5 years in fresh water in Michigan. This is a great boat for the serious angler, as well as for family outings and days just cruising the Intercoastal. The 300 HP Yamaha 4.2L motor has been recently serviced and the lower unit and prop were replaced. She only has 563 hours on her, and is ready to hit the water! You'll appreciate the dual 12\" Garmin GPS systems with dual transducers when you're out looking for fish, and this boat even has an autopilot for those long days on the water. There are two live wells, and a full tackle center, along with plenty of rod storage under the gunnel and plenty of room for fishing when you fold up the stern seating. There is a head with pump-out, so you'll be able to stay on the water longer with your family, and the windlass makes it easy to anchor when you're ready to relax. And this boat will comfortably seat 12 people. The sound system has Wet Sound speakers that sound fantastic, and there is a great table that can be set up in the front of the boat for having drinks or food, and also a second table that fits in the rod holders that can be set up as a bar area. The seating in the front of the boat has backrests so you can sit looking forward while enjoying the ride on the water. The Seadek flooring has been well maintained. This boat also comes with a custom full boat cover. Come see this beauty for yourself! We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit Careeers [dot] PopSells [dot] com to learn more.
