Description

Stock #506996 - New 2024 Godfrey XP 2700 W powered by twin Mercury 400's! Tritoon hull. Hydraulic Steering with Tilt HelmExperience the ultimate in luxury, performance, and entertainment aboard this brand-new 2024 Godfrey Pontoon XP 2700 W, powered by an extraordinary pair of Mercury Verado 400 HP outboard engines. This is more than a pontoon boat--it is a statement of style, power, and uncompromising quality, designed for those who want to make every day on the water an unforgettable experience. The XP 2700 W offers an impressive, spacious layout that combines upscale comfort with an open, inviting environment for entertaining family and friends. Its generous deck space provides plenty of room to relax, socialize, and enjoy everything from leisurely afternoon cruises to exciting days exploring the lake. Thoughtfully designed seating areas create comfortable gathering spaces throughout the boat, while the premium fit and finish deliver the look and feel of a luxury watercraft. Whether you're enjoying a quiet sunset cruise, hosting friends for an afternoon on the water, or spending the entire day anchored at your favorite cove, this pontoon provides the space and versatility to do it all in style. At the helm, technology and innovation take center stage. The modern, hand-wrapped helm features an impressive ultra-wide center display, dual touchscreen multifunction displays, intuitive controls, wireless phone charging, and a cooled cupholder. The premium JL Audio sound system delivers an incredible 2,100 watts of entertainment, while customizable RGB LED lighting transforms the atmosphere from daytime cruising to nighttime entertaining. The powered Action Tower provides convenient shade coverage and adds a distinctive, sporty profile. The real showstopper, however, is the power. Out back, two formidable Mercury Verado 400 HP outboard engines deliver a combined 800 horsepower, giving this luxury pontoon an entirely different level of performance. Paired with Godfrey's Twin iMPACT+ triple-tube performance package,

the XP 2700 W is engineered to deliver impressive acceleration, confident handling, and a smooth, composed ride. This is a pontoon for boaters who refuse to compromise between luxury and performance. What truly sets this boat apart is the combination of exceptional space, sophisticated technology, premium entertainment, and extraordinary twin-engine power. Rather than purchasing a conventional pontoon and spending thousands on upgrades, you're getting an exceptionally equipped luxury platform with the performance package already in place. It's an opportunity to enjoy the benefits of a premium, high-horsepower twin-engine pontoon without having to build one from the ground up. If you've been waiting for a pontoon that delivers the comfort of a luxury entertaining space with the excitement and capability of a serious performance boat, this 2024 Godfrey XP 2700 W deserves your attention. Beautifully appointed, technologically advanced, and powered by an incredible 800 horsepower of Mercury Verado performance, this is your invitation to experience boating at an entirely different level. Luxury without compromise. Performance without limits. The Godfrey XP 2700 W is ready to make every day on the water extraordinary. This listing is new to market.
