Additional information

Description

Stock #365008 - 240 LR powered by a 5.0L GXi V8 Volvo Penta engine, bimini top & full enclosure plus tandem axle trailer too! Looking for a great bowrider boat for family fun on the water? Look no further this 2004 Stingray 240 LR! This model is perfect for your family and will coast through big waves with ease. It has so many great features that your family will enjoy, like the built-in 25-quart cooler that is great for entertaining or just a quick drink on the go & built-in speakers located in the front and back of the boat. The cushion padding throughout makes for comfortable seating while you handle big water. In the captain's area, you will enjoy the captain's chair with bolster, a well-appointed helm with clear gauges. The Kenwood Stereo system has a built-in CD player and is powered by a 600 Watt Amp, as well as speakers throughout the boat, which will make any boat ride a fun one! The walk-through windshield provides access to the bow area and doubles as a windscreen, which is a nice feature that will make your drive more enjoyable as you hit high speeds on a windy day. Your passengers will sit comfortably on the U-shaped lounge in the bow and stern of boat with cushioned seating, which can double as a Sun Pad in the bow and aft. When you're ready to swim, the integrated swim platform with a built-in cooler makes for a quick entry into the water and the swim ladder access located at the stern of the boat makes getting back in the boat easy! Get a break from the sun on a hot day with the blue bimini top and the full enclosure allows you to extend your boating season into the cooler weather months, and keeps your boat dry and covered while you're not using it. The snap-down bow cover keeps this area out of the weather as well. This boat is powered by the Volvo Penta 5.0 GXi V8 270 HP engine and Volvo Penta outdrive that gets it up and on plane quickly and has power out of the hole for pulling skiers or tubing.
