Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Entertain, cruise, and stay overnight aboard this Great performing Express Cruiser!!

Maxum boats are stylish boats with good performance and great interior design. This Maxum has seating in the cockpit to entertain and the cockpit table is great for lunch on the water.

The cabin has nice lighting and an upgraded television. You get all of the amenities of a larger yacht without the larger price tag.

This boat has an upgraded stereo system that can turn heads if you want it to.

A feature that was added was a bow thruster, an amazing value for new boaters.
