About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Well kept classic Portofino 4300! Spacious interior with plenty of storage! Ready to hit the water and enjoy!

This 1988 Wellcraft Portofino 4300 is a classic sure to draw attention dockside and on the water.

A walk around the boat shows the clean classic lines of the boat with the bow pulpit and windlass leading the way. The larger swim platform makes entry onto the boat easy from the dock. It also has a shower to wash off anything you need before entering the spacious top deck interior.

There is ample seating on the stern as well as down the port side. There is also an electric cooler / mini-fridge seat combo behind the captain's seat.

Speaking of the captain, the helm is laid out well and

has all the controls for the boat at your finger tips.

A walk below deck will find a well laid out cabin with seating on both sides that convert to berths for overnight guests.

The galley is to the starboard side with the full head to port at the midship. In addition to the microwave and refrigerator freezer, the galley also features a combo alcohol / electric stove.

The main berth is in the bow and features a full size bed with a small TV and radio built into a cabinet to the left side of the foot of the bed. There is also a wash sink and vanity in the stateroom.

The twin marine AC units will keep things cool during those hot summer days and the twin shore power hook-ups provide plenty of power dockside as well.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [SellBoatsAndRVs \[dot\] com](http://SellBoatsAndRVs.com) to learn more.
