Additional information

Description

Stock #506874 - Well maintained and spacious boat with swim platforms and wet sound system! Yamaha's 242 Limited S E-Series is the flagship of the twin-engine 24-foot jet boat line, and this 2019 example comes as a complete package with around 114 hours and its Shorelande'r trailer. Twin 1.8L High Output Yamaha marine engines,180 HP each, push it through throttle-by-wire controls with push-button starting, and the shallow 18-inch draft takes you places sterndrive boats cannot go. The handling package is sorted: Cobra Jet Steering fins are installed, the well-known fix that gives twin-engine Yamahas crisp low-speed control for docking and no-wake zones, and Yamaha's No Wake Mode and Cruise Assist hold your speed at the push of a button from the Connext touchscreen at the helm. The cockpit seats a crowd on premium upholstery with snap-in flooring underfoot and SeaDek on the key surfaces, and a Wet Sounds speaker system with subwoofer supplies the soundtrack. Storage runs throughout, with a glove box at the helm and a changing compartment in the console. Out back is where this boat earns its keep: Yamaha's two-tier stern swim platform with lounge seating, a folding forward-sweeping wake tower, a Bimini top for shade, pop-up stainless cleats, and a walk-through transom with boarding ladder.
