Description

Stock #509463 - 2021 Robalo 226 Cayman! Yamaha 200 HP, Minn Kota Ulterra, Humminbird SOLIX 12, SeaDek, JL Audio, Lithium Batteries & Trailer! This 2021 Robalo 226 Cayman is a versatile 22-foot bay boat designed for anglers who want the flexibility to fish shallow coastal waters, explore bays and waterways, and enjoy recreational cruising. Powered by a single Yamaha 200 HP four-stroke outboard, this Cayman combines Robalo's shallow-draft hull design with a fishing-focused deck layout. The seller previously reported approximately 250 engine hours as of October 6, 2026. Among the reported upgrades and equipment are a Humminbird SOLIX 12 multifunction display, Minn Kota Ulterra trolling motor, custom SeaDek flooring, JL Audio sound system, lithium batteries, onboard battery chargers, custom hull graphics, and tournament-oriented livewell equipment. The 226 Cayman features a spacious bow casting area, center console helm, and open cockpit layout suited to fishing and family outings. Its 8-foot-6-inch beam provides useful working room, while the factory-rated 12-inch draft makes the boat appealing for skinny-water activities. Factory specifications include a 65-gallon fuel tank, fiberglass construction, 15-degree deadrise, and 22-foot-6-inch overall length.A trailer is included according to the current listing, making this a practical package for buyers who want to explore different waterways or transport the boat between fishing destinations. With its Yamaha outboard, fishing electronics, trolling motor, upgraded deck covering, and additional equipment reported by the seller, this Robalo deserves a close look from buyers seeking a well-equipped bay boat.
