Description

Stock #506531 - Sweet 2014 Chaparral H20 with room for 10 passengers, ready for it's next adventure! Imagine the sun climbing high over a glassy lake, the air crisp with the promise of adventure. You step aboard the 2014 Chaparral H2O, a sleek bowrider that embodies the perfect blend of Chaparral's signature style and no-nonsense performance. At just over 20 feet in length (with a platform extending her to around 21 feet LOA) and an 8-foot-4-inch beam, she's nimble enough to slip through crowded marinas yet spacious for a full crew of family and friends. You settle into the captain's chair, fingers grazing the tilt steering wheel as your eyes scan the intuitive dash analog gauges for speed, RPM, fuel, and voltage cluster neatly, with a compact space for your favorite multifunction display. The seating is pure invitation to leisure--plush, contoured buckets up front that swivel for conversation, wrapping around a centered console with a snap-on table for mid-water picnics. Aft, the U-shaped lounge beckons with custom gunwale padding for barefoot comfort, while storage compartments can hold skis, wakeboards, or that cooler stocked with the day's essentials. Bow seating unfolds like a hidden lounge, complete with lounge pads and anchor storage for impromptu anchoring in a secluded cove. At 3,100 pounds dry, she tows effortlessly behind a midsize SUV, and her 40-gallon fuel tank promises all-day escapes without a refill pit stop. Turn the key, and the heart of this beauty awakens: A MerCruiser 5.0-liter MPI V8, pumping out a robust 260 horsepower. Whether you're launching tubes for the kids, casting lines from the optional ski tow pylon, or simply drifting with a cold drink in hand, the H2O delivers that rare magic, premium Chaparral craftsmanship wrapped in approachable fun. She's not just a boat; she's your ticket to unscripted summers, where every outing feels like the first. Ready to cast off? The lake's waiting. This listing has now been on the market 30 days.
