Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Classic 1995 Sea Ray 330 Sundancer, Enjoy
entertaining family and friends and make new
memories!

Sundancers by Sea Ray are well know as one of the
top lines in Express Cruisers. This 1995 330 is no
exception. The current owners have been boating at
the same freshwater lake in New Hampshire for 20
years. They are starting on a new adventure and
want their prize possession to go to a great home.

In usual Sea Ray style, the cockpit area is well laid
out with style and comfort and plenty of seating and
of course, cup holders. The helm of the Sea Rays is
known for its ergonomic design and ease of
navigating the vessel.

The 11' 5" beam and deep-V hull make this one of
the great cruisers on rough waters or smooth as glass

waters. With air conditioning that keeps you cool sleeping on those hot summer nights, you be able to relax and enjoy your adventures all summer long.

The cabin below has the usual wrap-around sofa that converts into a sleeping area. There is also a private mid-cabin sleeping area with a privacy curtain and a V-berth in the front making this the perfect family boat for all to enjoy.

Summer is almost here. Don't miss your golden opportunity to get out on the water at a very affordable price that won't break the bank.
