Description

Stock #488446 - Rare! One-Owner Hyundai Yachts 56. 100% fresh water & low-hours! Jacuzzi! 4 Heads, Solar! Built by Hyundai Yachts! Lake Powell Az. Born in an era when offshore motoryachts were engineered with uncompromising mechanical honesty, and timeless proportions, this one-owner, 100% fresh water 1988 HYUNDAI MOTOR YACHTS ELEGANT 56 stands as a rare convergence of classic naval architecture and enduring diesel-powered capability. At 56 feet, this fiberglass-built motoryacht delivers the commanding presence of a true long-range cruiser while maintaining the responsive handling and seaworthy confidence demanded by serious mariners. The vessel is equipped with four permanently installed air-conditioning units and one portable air-conditioning unit. There are two heads onboard. The head adjacent to the galley includes a sink and shower. The master head features a sink, shower, and Jacuzzi tub. The bar area is equipped with an ice maker, freezer, and barbecue grill. The galley includes a refrigerator with a freezer and ice maker. Two solar panels are installed on the hardtop, and four large lounge chairs are located on deck. All onboard lighting has been upgraded to LED fixtures. The salon is equipped with an extra-large fold-out projection screen and a movie projector. The 1988 Hyundai Elegant 56 is a flybridge motor yacht featuring a wide beam, large salon windows, and an aft deck layout designed for onboard living and entertaining. The exterior includes side decks providing access between the bow and aft deck areas, along with an elevated flybridge offering additional seating and helm visibility. Power is provided by twin Caterpillar 3208 diesel inboard engines driving twin-screw propulsion. Caterpillar diesel engines are widely used in both commercial and recreational marine applications and remain a well-known platform within the boating industry. The interior features teak woodwork throughout much of the vessel, along with a spacious salon, multiple staterooms,

and accommodations intended for extended time aboard. Large windows throughout the salon provide natural light and water views. The vessel reflects many of the construction and design characteristics commonly found in motor yachts of this era, including substantial fiberglass construction, serviceable mechanical systems, and a layout focused on comfort, functionality, and onboard storage. For buyers seeking a classic motor yacht with traditional styling, diesel power, and accommodations suitable for cruising or extended stays aboard, the Hyundai Elegant 56 offers a distinctive combination of size, layout, and late-1980s yacht design.
