Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

The 2018 Yamaha 242 Limited S features a luxurious and comfortable design. It comes standard with premium amenities and technologies as well as twin 1.8-litre High Output Yamaha Marine engines.

Yamaha's well known internal propulsion system is reliable and fuel efficient, the water is pulled through propellers in the engines and pushed out with high thrust. This new technology eliminates the need for an exposed drivetrain, allowing Yamaha boats to navigate with less bow rise. The minimal draft makes navigating shallow areas possible

This boat also features a swim platform where family and friends can relax close to the water.
