Description

Stock #479384 - 2020 Yamaha Wake Boat with Warranty and Trailer! Super Low Hours! Bring Offers Today! The 2020 Yamaha 242X is Yamaha's flagship wake surf boat and one of the most sought-after jet boats in its class. Powered by twin Yamaha 1.8L High Output marine engines producing 360 horsepower, the 242X delivers the instant acceleration, responsive handling, and reliability Yamaha jet boats are known for. With approximately 290 hours, the engines reflect typical recreational use and have been serviced with records available for review while under contract. Designed specifically for wake sports, the Yamaha Surf Package includes an integrated 1,400-lb ballast system, wake enhancer, and drive-by-wire control, allowing riders to dial in the perfect wake or surf wave using the intuitive Connext touchscreen command center. Rider profiles can even be saved so your favorite setup is ready at the touch of a button. The spacious 24-foot layout with an 8' 5" beam comfortably accommodates up to 12 passengers, making it just as enjoyable for family cruising as it is for serious wake sessions. Yamaha's signature two-tier swim platform with SeaDek matting creates one of the most social spaces on the water, perfect for relaxing between rides. This owner states the boat has been maintained, always kept covered, regularly waxed, and shows excellent interior and exterior condition. Included with the sale is a custom tandem-axle ShoreLand'r trailer reported by the owner to be in excellent operating condition. If you're looking for a premium wake boat that blends performance, luxury, and reliability, this Yamaha 242X is ready to deliver years of unforgettable days on the water. Please submit any and ALL offers - your offer may be accepted! Submit your offer today! Reason for selling is no longer using it enough.
