Description

Stock #505628 - This well maintained 2025 Regal 21 OBX is ready for a day on the lake with all of your friends and family! The 2025 Regal 21 OBX is built for the kind of days your family will talk about for years. Every inch of this bowrider is designed around comfort, that invites everyone to settle in to a multi-position companion backrest that flips forward or backward to create a full portside lounge. Face forward on the ride out or stretch out together at the sandbar, and the layout adapts in seconds. Because it runs an outboard, the entire rear compartment becomes a large storage area with room for tubes, boards, coolers, and all the gear a big family day demands. When it's time to cool off, the low-profile wraparound swim platform and walk-through transom make getting in and out of the water safe and easy for kids and parents alike. At the helm, Regal's reputation for quality shows in a hand-stitched vinyl dash and a clean, intuitive layout anchored by a 7-inch touchscreen display, while a marine Bluetooth stereo keeps the playlist going from bow to stern. From lazy afternoons at anchor to sunset cruises with friends, this is a boat that brings people together. Call now to schedule a private showing. This listing has now been on the market 30 days.
