Additional information

Description

Stock #505542 - 2023 Harris Cruiser 230 Tritoon - seats 14, Mercury 150 power, Bluetooth & bimini shade. Family fun made easy on the water. This 2023 Harris Cruiser 230 Tritoon is exactly what family days on the water should feel like - spacious, stable, and ready for everyone to pile in and have a great time. The true three-tube pontoon design provides a noticeably flatter, more stable ride than a standard two-tube setup, so parents can relax while the kids move around and enjoy the day. A Mercury 150 four-stroke outboard offers plenty of power for pulling tubers or skiers, while still being smooth and manageable for a leisurely family cruise. With seating for up to fourteen, there's room for grandparents, cousins, and everyone's friends, plus all the coolers, floats, and gear that come along with a full day out. The Bluetooth stereo keeps the playlist going for everyone, and the bimini top offers welcome shade so younger kids and children at heart alike can stay comfortable all day long. Harris built its reputation on solid pontoon construction, and the Cruiser 230 reflects that with a roomy deck and plush seating built to handle a busy, active family. Whether it's a relaxed afternoon anchored at a favorite cove or a full day of watersports with the whole crew, this Harris Cruiser 230 Tritoon is built to bring the family together on the water for seasons to come.
