### Additional information

Description

Stock #473351 - Hit the water in style, comfort, and confidence with this 2024 Sailfish 226 Dual Console! Built for families, weekend adventurers, and serious anglers alike, the 2024 Sailfish 226 Dual Console packs versatility and refinement into a package measuring just over 22 feet. Power comes from a 200HP Mercury 4-Stroke engine, offering smooth, fuel-efficient performance for worry-free days on the water. Sailfish's Variable Degree Stepped hull keeps the ride stable and dry, with confident handling whether you're on calm bays or pushing offshore through chop. Inside, the dual console layout balances comfort and practicality: spacious bow seating, a cockpit with convertible seating and generous storage, and a built-in head compartment for longer trips. Anglers get integrated rod holders, live wells, and dedicated gear storage, making this a genuine crossover boat suited to a sunset cruise or a day chasing fish. Quality upholstery, a well-equipped helm station, and an ergonomic captain's chair round out the comfort. Stainless steel hardware, durable construction, non-skid surfaces, and sturdy grab rails reflect the build quality Sailfish is known for. The 226 DC brings confidence, comfort, and capability together, ready to deliver season after season. Please submit any and ALL offers - your offer may be accepted! Submit your offer today!
