About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Rare find! Great liveaboard or full time cruising. Twin engines, lots of interior and exterior space. Best price!

This 1988 Bluewater 51 was designed to be a perfect live aboard. This vessel offers a spacious open salon, 3 separate staterooms, two full heads with tubs and all of the comforts of home.

The second deck is fully covered, has plenty of room for entertaining and will accommodate all of your friends and family.

The Twin Crusader 454 V8 motors provide this vessel with 350 H.P. each

The huge flybridge is a great place to entertain or relax with family and friends.

This third owner yacht has received pampering care over its years and is a FRESHWATER boat.

They have thoroughly enjoyed this vessel, especially the updated dual thrusters which move the yacht effortlessly sideways that even his grandson can dock the boat!

Additionally they like the top cockpit covered area it's like having your own apartment on the ocean and a great spot to enjoy your morning coffee looking out over the water, as well as the comfy beds with added 11\" foam on all and the comfort of the boat especially the reclining chairs and TV area.

They upgraded the old water system with pipes and tank, along with a septic system, and shower pumps, macerator pump, and two heads with fresh water optional flush.

The master stateroom has a updated electric head which they really like. They have NEWER A/C, a 7.3 kW generator with approx. 60 hours. Recently installed are bilge fans with a venting system.

Also recently installed is a new crane for a dinghy, (they are keeping the dinghy which will not go with the boat).

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.

This listing has now been on the market 30 days. If you are thinking of making an offer, go ahead and submit it today! Let's make a deal!

Reason for selling is no longer using...ready for next happy owner to enjoy..
