	*********************** CERTIFIED SINGLE OWNER ******************		
	This beautiful, one owner Southwind sets itself apart from other deck boats on the water by having a carbon fiber and Kevlar reinforced hull with no wood to rot. This one has had light use and is kept inside a high-and-dry warehouse when not in use.		
	The powerful 150-horsepower Mercury four-stroke outboard motor has less than 80 hours of run time and the great balance of space on deck with plenty of seating makes for the ideal day boat and fun on the water.		
	This has a nice bimini top for shade, a forward live well, a changing area with a pump-out head, and a		

freshwater sink and shower system for rinsing off any saltwater.

A bright, color Humminbird Helix 5-inch GPS/sonar display is installed at the helm.

Includes the pictured dual-axle aluminum trailer too!
