About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Updated inside and outside. Dual engines, tower, outriggers, etc. A fishing machine!

This well equipped Luhrs is packed with features like a much larger sportfish. The boat is a great platform for the serious fisherman, with amenities for cruising and spending extended trips overnight.

The ample sized aft cockpit has a leaning post with rocket launchers. The gunnels have 4 15 degree rod holders and four heavy-duty 90-degree rod holders. The transom has large fish box and tuna door to bring in the big ones. There is an above deck live well and tuna tubes (need to be plumbed). The seller recently installed new outriggers for a large trolling spread.

Step up to the cockpit for a 360 degree view of the action. There is seating on both sides with the

captain in the center. The clear enclosure will keep you comfortable from the elements.

Step down below to the ample sized cabin. There are four bunks for sleeping accommodations or they can be used as two sofas. The head is forward, providing plenty of room; there is also storage overhead for your gear. There is a compact refrigerator and sink for convenience.

Get the best views up on the second station. Sit under the canopy and spot the fish below.

The seller did an extensive upgrade to the electronics. A 12" Garmin MFD below and a 9" MFD above. The unit are networked together. The radar can be seen from both stations and the auto pilot is remote controlled for added flexibility. The seller upgraded the sound system to keep you entertained.

The boat is powered by Captain's Choice Crusader engines. The original hour meters read 4400 hours however, the seller does not believe these are the original engines with these hours. The seller has maintained them and states they are reliable and run well. to keep you powered up, there is a Kohler generator with 964 hours.

*****CONDITION OF VESSEL*****

This boat appears to in good overall condition. The boat is used regularly with no reported mechanical issues. The seller states the boat is in good working order ready to use. No noticeable soft spots found.

The gel coat looks to be in good condition, a compound wax job would make her look great. The cabin looked to be in good condition with no musty smells. The hardware and tops look to be in very good condition.

The engines showed minimal corrosion for their hours. The bilge was oily and could use a good cleaning. The seller states the generator and engines are in good operational condition.

The exterior cushions are in good condition. The enclosure is nice and clear. The deck has been covered with grey deck material, it looks to be in great condition.

The seller welcomes any inspections. Feel free to ask any questions you may have.
