Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Rare Find!! Great RIB!! Folding T-Top!! Killer
Sound System!! Loads of Fun!!

If you are looking for tons of fun on the water in a light, easily trailerable package that is extremely stable and safe. then you need to check out this 2016 Brig 610 Navigator.

A 20 ft RIB (Rigid Inflatable Boat), the Navigator is designed with a reinforced deep 'V' hull, along with extended waterline length, extra-wide tubes, and a square bow, all of which ensure a stable and dry ride, even at speed. The BRIG Navigator 610 can carry 10 passengers in style and safety.

This one is loaded with lots of extras including a Memphis Marine radio with a JL Audio M700/5 amp and 7 JL Audio speakers. There's also a Garmin GPS/Plotter/Sonar and a Garmin VHF radio.

The boat has a large aluminum and canvas T-top with LED work lights. There is also cockpit accent lighting and underwater lights on the transom. Incidentally, the T-top folds for added convenience.

This Brig 610 Navigator is powered by a Mercury 115 HP 4-stroke engine driving a Quicksilver 4-blade prop. The actual engine hours of 246.5 were confirmed by reading the ECM (Electronic Control Module) on 6/24/2023.

There is ample seating with a transom bench seat, a dual helm seat with flip-down bolsters, and additional bow seating. The upholstery was recently replaced and is in nice condition and there are plenty of handholds and grab points for a safe and secure ride.

If fun in the sun is your objective, you will thoroughly enjoy this unique run-about. A recent inspection found the boat in excellent condition and valued well over the current asking price.

According to the seller, all mechanical and operational systems function as intended.

Recent upgrades include the addition of a ProSport HD battery charger, and the fuel sensor was recently replaced.

The boat will come with an air pump and repair kit.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](https://WhereFreedomTakesYou.com) to learn more.

Please submit any and ALL offers - your offer may be accepted! Submit your offer today!
