The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Excellent Outlaw with new camper enclosure! New Seadeck in 2020! King size bed!

This 2007 BAJA OUTLAW is the bomb!

She has style and she has class, but most of all, she is FAST! Anyone who sees this beauty on the water is sure to stop and stare and watch in awe!

The build technology of the carbon fiber construction, the innovative hydro testing and the wind tunnel technology of the boat allow her to handle the water with grace.

She also provides a great space to entertain guests who are granted the pleasure of taking a ride with her, (of course assuming they can handle her speed).

This boat hails from Canada. The current owner is the second owner. He purchased her in 2017 from a fellow Canadian and has enjoyed spending 400 hours on her, (she had 100 hours when he purchased her)!

The boat is a FRESHWATER ONLY boat. The seller takes care of the boat, including giving her a professional cleaning every two weeks. In the off-season, she is stored indoors in a temperature control space.

The seller reports that this particular boat has been upgraded with a new stereo system (\$15k), Full Camper Top (2020/\$10k), SeaDeck (2020) and a Vacu-Flush head.
