Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Clean Nitro Bass Boat with 250 HP Mercury
Powerhouse! Trailer Included!

This is the boat to get you to where you need to be
when you need to be there. And the choice of the
world's greatest bass angler--4-time Bassmaster
Classic winner Kevin VanDam.

The Rapid Planing design of this boat will get you
out of the hole and up fast even on strong inland
water chop, according to the manufacturer.

The Mercury 250 Optimax Pro XS engine on the
back will handle the rest. You have full
instrumentation in this one with a Speedometer,
Tachometer, Fuel, Trim, Water Pressure, and Oil
Reservoir Level.

This boat is clean, low hours, and loaded to fish.
Comes with a Motorguide TR109 trolling motor

along with Lowrance HDS-7 Touch in the bow and the HDS-7 with Scan in the dash.

The wide beam keeps the boat stable either when it is on the go or sitting over the fish. And the two 19-gallon aerated live wells are ready when you are.

With plenty of room for rods and tackle, it is ready for your next tournament or just a day of fun and fishing
