Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Check out this 2004 Stingray 220 LX. This boat
screams fun! Engine configuration and outdrive are
all Volvo Penta 5.0 liter V8 with 309 hours on the
clock.

This is a quick boat and she cruises at 35-40 m.p.h
with reported top speeds in the low 60's. The boat is
very spacious and seats 6 to 8 people quite
comfortably.

The boat includes a bimini for those hot days, a
handsome helm, a glove box, and a nice package
with a twin axle trailer.

The sellers hate to see her go, they purchased new,
but they just don't use enough. Tubbing, zipping

around, and/or having fun times on the water with family/friends this boat can do all, without breaking the bank. Just add water, and you're good to go!
