Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

21 Pro Skiff powered by a 115HP Mercury with
only 150 hours!

Here is a great little skiff/bay boat well equipped for
the bays and inshore fishing.

The MAKO Pro Skiff 21 CC rides on the company's
Advanced Inverted Vee (AIV) hull with an
integrated anti-spray design, allowing her to float in
just 10" and providing a dry and stable ride.

A large casting deck with plenty of below-deck
storage, a large cooler, and a 28-gallon live well.

The reliable Mercury 115 hp 4-stroke has just 150
hours on it and can propel the boat quickly and
economically to your favorite fishing spot.

This boat is ready for new owners and new
adventures.
