About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

2006 BaylinerCommand Bridge!! Dual Helms!!
Well Maintained!! Air Conditioning!! Ready to Go!!

2006 Bayliner 288 Command Bridge. The current
owner is the third owner.

Due to the swim platform, this boat is an overall 30'
8" in length. The nice broad beam of 10' makes the
boat feel even bigger than it is. A sweet compact
sedan bridge perfect for entertaining and doing some
fishing. It's a classic and timeless design.

Clean and spacious and very well-maintained. Fresh
bottom paint in 2023.

Yes! Air conditioning with a SoftStart system.

Enjoy the get-up-and-go power of the Mercruiser
350 MPI Horizon's 300 horses. The Bravo III

outdrive was replaced in 2023.

This boat has something for everybody and plenty of space to enjoy it. Step on board and notice the spacious cockpit area with high gunnels to provide that extra security when the kids are on board.

Easy access to the engine compartment mid center, and two large compartments on either side of the engine hatch with access to the bilge

Step through the transom door onto the generous swim platform--plenty of room to relax or secure a dinghy.

The side decks are narrow but have a nonskid surface and tall bow rails to grab as you make your way up to the foredeck for a nice view of the waterways. Access the bridge on the ladder up to a comfortable helm area with an L-shape lounge portside. Enjoy the conversation with the captain at the helm starboard.

The flybridge has almost new upholstery, a new Garmin GPS/Plotter/sonar, and clean/clear gauges. A clean bimini provides shade from the sun.

The cabin is expansive - again it is due to the side decks being a bit narrower - so enjoy more interior space for gathering with friends.

Check out the spacious cabin with great amenities. There is a bench settee with storage that also has a berth for overnight guests.

The berth runs underneath the dinette portside. On the starboard, is a wet head with a manual toilet, shower, and sink.

A functional galley has a generous counter that accommodates a large sink and stove with alcohol/electric dual burner. Below the counter is the fridge, microwave and storage. In the corner is the electrical panel with AC/DC power.

The lower helm is great for driving the boat in bad weather. The large windshield provides great visibility.

In the bow is the V-berth with reading lights, a hanging locker, and storage underneath.

Overall you will note the boat is a great midsize motoryacht and will be easy on your wallet.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [Careers \[dot\] PopSells \[dot\] com](https://careers.popsells.com) to learn more.
