AND READY FOR THE WATER!!!

This 1989 Grady white 240 offshore is a legendary boat with big water capabilities.

This boat needs no introduction. It has been a popular model for many decades. This one is powered by a 5.7-liter I/O package, with plenty of power to get you where you need to go.

The cockpit has plenty of room throughout for bringing in the big one, which is one of the benefits of this model. Without the outboard, you have full access to the entire transom.
