Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Conquer the Waters in Style: Blazer Bay 2400 -
Where Adventure Meets Luxury - Trailer goes with
the boat

The 2016 Blazer Bay 2400 is a versatile and durable
bay boat designed for fishing enthusiasts who enjoy
exploring coastal waters.

The Blazer Bay 2400 measures 23 feet 10 inches in
length providing ample space for fishing and
cruising.

It is built with sturdy fiberglass construction. The
Blazer Bay 2400 is designed to withstand the rigors
of saltwater environments. Its hull design is
optimized for stability and performance, making it
suitable for various water conditions.

The deck layout of the Blazer Bay 2400 is

configured with plenty of room for anglers to move around comfortably. It features casting decks at the bow and stern, as well as ample storage compartments for fishing gear and equipment.

The center console of the Blazer Bay 2400 is typically equipped with a helm station that includes navigation electronics and gauges. It also features a windshield for protection against wind and spray.

The Blazer Bay 2400 is powered by a Suzuki 300 horsepower outboard engine. This allows for efficient cruising speeds and quick maneuverability when needed.

It is designed primarily for fishing, the Blazer Bay 2400 offers features such as rod holders, live wells, and baitwells to accommodate anglers' needs. Its stable hull design and shallow draft make it well-suited for navigating shallow waters and accessing prime fishing spots.

Overall, the 2016 Blazer Bay 2400 is a reliable and capable bay boat that offers anglers a comfortable and functional platform for enjoying their time on the water.

Trailer comes with the boat.
