Accommodations

Namasteâ€™™ provides accommodations for ten guests in five spacious staterooms. The master stateroom is located forward on the main deck and features a king-sized berth, ownerâ€™™s study and an elegant ensuite bath. Below are two VIP king staterooms and two twin berth staterooms, each

with full entertainment equipment and ensuite bath.

Crew accommodations for up to eight are provided in four cabins.

Main Salon

The main salon is expansive and well-designed area. The 50" TV rises out of the aft corner cabinet. The aft entry door is stainless steel framed, glass, open/close sliding mechanism with pneumatic seal. She showcases designer flooring and wall coverings, one sofa, cocktail table, three occasional chairs, three end tables and a game table with four chairs.

• Runco 50" HD LCD TV

• Surround sound receiver/speaker & Sub-Woofer

• Direct TV Satellite receiver

• Samsung Blu Ray DVD/CD player & USB

• iPod docking station

• Crestron 2-way touch panel control

• Kaleidescape movie/music player

The day head is located off the starboard entry foyer and features a stone top vanity, vessel sink, toilet, stone flooring and

coordinated bath
accessories.

Dining

Forward of the main salon is the formal dining area. Servers have easy access from the galley via a dual-hinged access door. The formal dining table, made of Pommele Sapele wood with Mahogany accents, seats ten guests. There is a buffet storage to port, starboard and aft, with storage for sixteen 5-piece place settings of china, flatware, stemware and A/V units.

Galley

• Northland 30" reach-in refrigerator
• Northland 18" reach-in freezer
• Built-in standard oven by Gaggenau
• Built-in convection/steamer oven by Gaggenau

sq. ft. fins

Security/Firefighting/Safety
Equipment

Cameras:

• (7) PTZ color
cameras (2/engine room,
2/exterior aft deck, port
and starboard side,
1/starboard side deck,
1/port side deck, 1/mast,
displayed on CCTV
system)

• Monitoring station
with display of BSS

• Closed Circuit
Television

• Night Vision Camera:
FLIR M Series

• Signal and Lights:

• Ship's whistle

• Ship's bell

• Air powered horn:
Kahlenberg F-2 five
trumpet

• Kahlenberg M511-A
signal timer

• Full array of running
lights

• Carlisle & Finch 200
watt xenon, 15 million
candlepower, remote
controlled search light

Firefighting Equipment:

There are four fire
stations and three pumps
(the main AC pump, a
back-up diesel pump,
which is fixed, not
portable, and the third is
the AC bilge pump which
can be switched over to
run as a fire pump). Each

station contains a hose, angle valve and high/low volume nozzle. The primary electric fire pump can be started from any fire station or locally.

Hoses: (7) 1 ½" x 50' FM listed lay flat type

Ø ABS approved fire nozzles (1) at each of the four hydrant stations

Ø Pump, primary: Centrifugal, flooded suction, 66gpm@40psi

Ø Pump, back-up: Diesel powered portable, flooded suction centrifugal

Ø Strainer: Sea suction strainer for fire/bilge manifold, bronze 2" Y strainer

Ø Seawater Intake: Bronze with stainless steel grate

Ø Hose Rack: Fiberglass construction with rolled hose storage in fire station

Fire Sprinkler System: The interior of the vessel is protected by sprinklers which draw from the ship's fresh water supply. In the event the water supply is depleted, the system will revert to seawater use without interruption. Engine room is protected by gas smothering FM200 system. Water delivery is by two pumps, operating individually or in tandem,

depending upon demand.

A small pressure tank maintains the stand-by pressure in the system.

Control panels are located in the engine room with a mimic display in the pilothouse.

Galley Hood Fire System:

• Independent, fixed system is located in the main galley in the hood above the stove

Fire Extinguishers:

• Dry chemical (9) Ten lb., (1) Three lb. and (1) Ten lb. Carbon Dioxide type extinguisher

Safety:

• Equipment required for charter service under Cayman Islands Shipping Registry and MCA compliancy for up to 12 passengers

• Life Raft: (4)

Ten-Man Solas approved life rafts mounted on boat deck rails

• (23) Coast Guard approved adult life preservers with water lights

• (6) Coast Guard approved child life preservers with water lights

• (4) 30" Diameter ring buoys

• (17) Immersion suits

• Flare kit

• Perko bell

• Medical Kit

provided upon contract.

Remarks

Namasteâ€™ represents
the very best of her class
in Tri-Deck motoryachts.
With less than 300 hours
and the extended MTU
service protection, she
offers a turn-key, like new
opportunity for any buyer
in this category; with an
unmatched balance of
high speeds and range,
plus fuel efficiency at
slower speeds, she is ideal
for any application.
Her ABS Classification
and MCA Compliance;
Namasteâ€™ is the
perfect platform for the
global charter market.
This 40 Meter continues
in the 130â€™ Westport
tradition with reliability,
performance and
unequaled support for
owners and crew.
