22 Knot Cruise

Upgraded Bow Thruster

Waste Treatment Center

All Westport yachts are  
designed to provide  
unsurpassed luxury,  
comfort and style with  
functional, elegant  
interiors arranged for  
privacy, convenience and  
relaxation. A  
five-stateroom  
arrangement with on-deck  
master stateroom, large  
salon, dining room and

expansive deck areas  
ensure thoroughly  
enjoyable extended  
cruising. More comfort  
through advanced  
technology - unseen yet  
critical elements of  
comfort have been taken  
into account by Westport.  
"Quiet acoustics" reduce  
sound levels to those of a  
high-end luxury car.

"YERATEL G"  
accommodates nine  
owners/guests in five  
luxurious staterooms with  
an on-deck Master  
Stateroom and four Guest  
Staterooms. There are  
crew accommodations for  
seven.

The foyer will lead you  
aft to the spacious Main  
Salon and formal dining  
area. Looking all the way  
aft on the port side there  
is a game table with four  
upholstered chairs.  
Moving forward one finds  
two comfortable chenille  
covered sofas on both  
sides facing each other  
with an oriental rug in the  
center creating a casual  
conversation area. A 40"  
PAL/NTSC LCD Flat  
Screen TV hidden (raised  
and lowered by remote) in  
a cherry wood buffet with  
granite countertop  
separates the Salon from  
the dining area. The  
dining table  
accommodates ten guests.

Forward to port is the Galley with plenty of storage and Corian countertops, very nicely appointed with professional appliances inclusive of a pop-up vent for the six burner stove. All equipment is stainless steel and features ample seating in the U-Shaped dinette nook that is perfect for a casual breakfast or lunch.

Moving forward is the on-deck Master Stateroom with centerline king size bed with innerspring mattress and upholstered headboard. The master bathroom has Crema Marfil marble tiles, whirlpool bath, etched-glass enclosed shower, his & her vanities with Kohler vintage sink and two Headhunter Royal Flush Hydro Vac toilets.

Further aft mid ship stairs down leads you to the four Guest Staterooms located just off the foyer equipped with laundry facilities. Each stateroom is elegantly decorated and has an ensuite head with enclosed shower. Two (2) king berths, one (1) twin berth stateroom and one (1) single berth stateroom with a treadmill (no second berth).

Forward of the Sky Lounge is the Pilothouse

with raised semi-circular seating for all guests to enjoy the view while cruising. All the way port is the Navigation Station. There are very nice walk-around side decks to the Skylounge and Pilothouse with Pilothouse doors and a staircase centerline going forward and down the foredeck where there is a circular seating area (nook) with excellent visibility while cruising & a iPod docking station. The Sundeck features two built-in seating areas forward with tables, a wet bar, barbeque and a large sun area with adjustable chaise lounges. Leading aft from the Main Salon through the double stainless steel doors is the beautiful and spacious Aft Deck which is one of the nicest features of "YERATEL G". A large teak circular table seats eight guests, occasional chairs to port and starboard, as well as, banquette seating across the transom all of which is protected by the Aft Deck overhang. On the port corner is a very comfortable walk-behind, full service bar with icemaker and refrigerator, and three teak bar chairs with cushions. Positioned perfectly behind the bar

and raised for unobstructed view by all on the Aft Deck is a 32" PAL/NTSC LCD Flat Screen TV which is piped in throughout the Aft Deck for the most incredible sound equivalent to concert level. Starboard and forward is the molded staircase, which leads to the Jacuzzi, Boat Deck and additional seating aft of the Sky Lounge. To starboard are steps leading from the Aft Deck to the Upper Deck/Boat Deck consisting of an L-Shaped settee to port and a 6-8 person Jacuzzi hot tub. To starboard entering through a double sliding door is the Sky Lounge which offers a complete entertainment center with 42" TV, wet bar, game table, and large windows offering a panoramic view while cruising or at anchor. The Sun Deck is accessed via a staircase from the Boat Deck
