knots

Max Speed: 23-24 knots

Tanks

Fuel: 615

Fresh Water: 230

Holding: 50

Interior

The teak interior was only available in '82 models or newer and is a great improvement over the previous woodgrain Formica interiors of earlier models. You'll enter the salon from port lower helm deck via the wide entryway with large steps for ease of access. The open and airy salon contains a full-size sleeper sofa to starboard with a coffee table, a built-in TV on the port side, and forward you will find two more lounge chairs as well as a gaming/cocktail table, leaving plenty of

additional floorspace to add or change around the layout to suit your personal preferences. The teak paneling throughout the yacht is in perfect condition. Forward to starboard is the large and fully complimented galley featuring plenty of counterspace, great drawer and cabinet storage space, a full-size General Electric frig/freezer, a Panasonic microwave oven, hot/cold pressure water with a SS double sink, a Princess electric stove and oven, as well as a coffee maker and a B&D toaster oven. Opposite the galley is the huge face to face dinette which also converts into a queen berth. The movable walls allow this berth area to be completely sealed off for privacy, effectively adding a third stateroom when needed. This brings total sleeping capacity to 10... without even breaking out a single sleeping bag! Forward still you'll find the very comfortable, spacious, and private guest stateroom. The stateroom features and ensuite head compartment with a desirable separate shower stall (not found on earlier models), electric head, and a hot/cold sink with vanity & mirror.

Completely aft you'll find the master stateroom featuring double/queen twin berths port and starboard with an attractive rattan accented dresser conveniently built-in between them. There is generous hanging locker space, as well as storage below the berths and in cubby compartments behind each berth as well. The master ensuite head compartment is massive and features a hot/cold sink, great storage space, mirror and vanity storage, and a huge shower stall with, get this, a bath tub! The multi-zone marine air conditioning with reverse cycle heat keeps the climate just the way you like it, in any area you choose.

Exterior

A battleship in rough water due to the 19 degree deadrise on her bottom, rare for motoryachts not only then, but even now. The flybridge offers great visibility and has seating for 6 to 8. Going forward from the main deck is made easy by wing doors on each side. The teak handrails are impeccably varnished and look great. Once on the foredeck you'll find a 6 person canister life raft, fenders in rail baskets, a foredeck

seating area with cushions, anchor windlass with bow pulpit, and a spare anchor mounted within easy reach if needed. The incredibly extensive Sunbrella canvas package onboard this yacht includes: a Bimini top with an isinglass enclosure, a bridge helm station cover, a bridge helm seat cover, 50/50 windshield covers, and teak railing brightwork covers, a full aft deck enclosure, and a bow seating area cover, canister life raft cover, windlass cover, and spotlight cover. All canvas is in excellent condition. The lower helm area/aft deck features a wide bench seat at the helm with tons of storage space within it, a wetbar with even more storage as well as a built-in Raritan icemaker, and on the aft deck area itself is an exterior sofa and chairs with a coffee/cocktail table for entertaining or for just lounging. Other mentionables include the removable cockpit carpeting, a remotely operated searchlight, as well as a fiberglass swim platform (non-skid just refinished) with a boarding ladder. Notable mention: The gel coat on this yacht is

original and it is in
unbelievable condition.
Take careful note when
looking at the photos to
see the shine and sparkle
of the beautiful finish on
this yacht. Better yet,
come see it in person!

Electronics

LOWER STATION:

Furuno 4' open array 48
mile radar, recent Simrad
AP11 autopilot, Garmin
130 GPS/plotter w/

new Standard Horizon
Eclipse VHF, Datamarine
Navigator speed &
distance log, Standard
Horizon digital depth
finder, SEA223 Single
Side Band radio,
Magnavox MX200 GPS
receiver. Ritchie compass.

UPPER STATION:

Simrad AP11 autopilot,
Garmin 182C color
GPS/plotter with
cartography, a new
Standard Horizon Eclipse
VHF, a Standard Horizon
digital depth finder,
Garmin 75 portable GPS
installed on a dash mount
for a back-up, and a
rudder angle indicator for
convenience. Ritchie
compass.

Mechanical

The 8V92 570HP
turbocharged Detroit's are
extremely clean and have
only 490 hours since
major overhauls on both.

Added were Airseps to keep them looking clean and running cleaner. The 15KW Onan genset is in perfect order both mechanically and cosmetically and handles all AC power needs when not connected to the 50A shore service. Other items include: Trim tabs with controls both stations.

Comments

This boat is impressive in her physical condition as well as mechanically. It should impress you as well. Call today and make an appointment to see it... you'll be glad you did!

Bring offers as he wants it
sold within the next 30
days!

This is arguably the nicest
kept, not to mention the
lowest priced, 46' Bertram
Motoryacht on the current
market. Her gelcoat
sparkles, her interior is
clean and orderly, the
canvas is in great
condition, her engine
room and machinery are
extremely clean and all in
perfect working order.
The desirable 570HP
8V92's purr and have both
had top end overhauls not
long ago. This is one not
to miss. Call today for a
showing appointment on
this fine yacht and see
why the production run of
46 MYs lasted a
whopping 14 years!
Priced to sell NOW!
