OVER VIEW

Entertain your guests in luxury, comfort and style. The exterior features molded steps on both port & stbd side of the transom lead from the extended swim platform through twin transom doors to the aft deck and cockpit. A large bench seat across the aft section converts to a sun pad with the touch of a button. The Cockpit has a U-shaped sofa with serving table. The cockpit sole is fitted with snap in carpet and canvas carpet runner. To port is a large upgraded flat screen SAT TV over the sink wet bar

and storage. Forward of the wet bar are refrigerated storage units. To stbd is the helm. The helm station features a wrap-around control console with plush captain's chair and companion seat, powerful Caterpillar inboard diesel engines, dual hydraulic gear shift and throttle engine controls and hydraulic power steering await your command. Above the aft deck is a hard top that supports the electronic equipment and antennas. The enclosure is stratoglass and black canvas. As you step down the companionway into the cabin you are surrounded by luxury. The Interior features hi-gloss cherry wood and plush deep-pile stain resistant carpet with padding. The huge overstuffed ultraleather salon sofa runs the entire length of the salon and contains an electric slide-out bed. The hi-lo wood dining table serves four. The lavish galley offers home-style comfort with a full compliment of galley equipment including the 3 burner electric stove, a microwave/convection oven, under counter refrigerator and freezer with icemaker, plus

tremendous counter and storage space. To stbd and aft of the salon is the master stateroom. This room places you in opulent surroundings with a queen size bed with inner spring mattress, custom wood cabinetry, private head with shower and generous storage. The forward stateroom has a queen size island style bed with innerspring mattress and plenty of storage. Four portlights with curtains and a large deck hatch provide light and ventilation.
