### Información Adicional

Descripción: We have a unique boat to offer that has a rare prestige, built by Halvorsen's own Horst Diegnamm in Corten Steel and Stainless Steel. Built for High latitudes, it is the perfect expedition ship for shorthanded crew. It is fast, stable, seakindly and comfortable. Flush decks, 2 x SS deckhouses, and Internal steering station,

and a roomy Open plan.  
This is a one-off vessel,  
built as one man's life  
dream to create the  
perfect passage maker. It  
was built to last, and to go  
anywhere, with plenty of  
redundancies and  
comforts, to suit long  
passages.
