## Información Adicional

Descripción: 37 meters of pure design. Sober lines without ostentation but oriented towards the perfection. Its curves are enough to affirm his style to provide with an unforgettable memory.

Born of the imagination of the best designers on the planet, Harun is the first masterpiece of the brand . Hundreds of people worked together around the world on the Harun project . After years of collaboration, the project became reality . Real jewel on the water, Harun allies aestheticism, design and technology to offer to his hosts the tranquillity and the luxury which they look for.
