Información Adicional

Descripción: The Monterey 282 Cruiser has rakish good looks that set it apart from many of its competitors, and its generous 10-foot beam gives it all the room needed for days of cruising pleasure. A deep-V hull design and twin inboard / outboard stern drives assure the 282 is a true joy to handle. The spacious cockpit is great for entertaining with a long list of standard luxuries like the foredeck sunpad and full canvas package. The molded-in wet bar features a stainless grab rail and quick access to a convenient removable cooler. The walk-through windshield with molded-in steps is a Monterey trademark. Below deck an open, airy galley has plenty of room to prepare full meals. Of course, it comes with AC/DC refrigeration, stove, built-in coffee maker, generous storage space, and a stainless-steel sink with faucet. The mid cabin has twin facing bench seats that convert to a full double sleeper. The private, enclosed head, has a standup shower with curtain, a sink with faucet and showered, a marine head with shower seat, and a vanity storage compartment. The forward berth and separate dinette area complete the package for a home away from home.
