About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Big beautiful Baja 33. Twin Mercruiser 496 HOs

This 2002 Baja 33 Outlaw has the classic look and optional 425 horsepower Mercruiser 496 HO engines. That's 950 horses to get this big boat up on plane and cruising very quickly.

This big Baja is surprisingly equipped with a cabin that can sleep four. The head compartment can hold a porta-potty (Not included). It also includes a galley area with freshwater sink and a large counter top with cabinet space below for storage of goods and a small refrigerator/freezer.

A large V-berth forward and two spacious couches provide plenty of seating space for two couples. The small dining table with drink holders provides convenience for a meal and drinks to refresh and recharge for that next blast on the open water. Two huge Bomar hatches with screens provide plenty of light and ventilation.

The cockpit is roomy, and the seats are comfortable and supportive. The captain's and companion seats have drop down seat bottoms. The helm is well laid out with large, easy to read Gaffrig gauges.

The aft bench seat conceals the batteries and battery switches, giving you quick and easy access for servicing. Finishing off the cockpit are large storage areas located in the side coaming panels.

When it's time to catch some rays, your guests will enjoy the large sun pad that conceals the engine hatch. The powered hatch is raised at the flick of a switch to gain access to the engines.

The tubular aluminum swim platform with non slip surfaces and telescoping swim ladder makes getting in and out of the water easy and safe.

This boat is ready for your next exhilarating day on the water.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [SellBoatsAndRVs \[dot\] com](http://SellBoatsAndRVs.com) to learn more.
