Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Garage kept Bayliner with Mercruiser engine!  
Ready for a new owner!

This 1990 Bayliner 2651 Ciera Sunbridge is a  
perfect for a day on the water.

The boat hails from Florida where she was  
purchased in 1995 from the current owner who  
purchased her from the original owner.

She was used in FL until she was transported to  
upstate NY in 2003 where she was used in  
freshwater only from 2003 - 2018; she has not been  
used since 2018.

She has always been stored indoors in the winter.

She is a great boat for day cruising and simple  
overnight excursions.

The current owner has enjoyed the 23 years that he

had spending time with family and friends; and now the time has come for her to bring joy to her next owner.

If having fun in the sun sounds good to you, then don't miss out on this 1990 Bayliner Ciera Sunbridge.
